

May 31, 2023

Reissued December 19, 2023

Dear Colleagues:

Twenty-one companies have demonstrated compliance with the American Chemistry Council (ACC) Product Approval Code of Practice for the period of March 31, 2021 through March 31, 2022. All 21 companies submitted a Letter of Intent by the due date. Seventeen companies successfully completed the ACC compliance audit checklist and four companies provided verification from the ACC Monitoring Agency that no candidate engine tests were scheduled or registered during this time period.

The ACC Product Approval Protocol Task Group (PAPTG) is pleased to recognize the following organizations:

Afton Chemical Corporation	LLK-International (LUKOIL Lubricants Co)
Afton Chemical Corporation Test Laboratory	The Lubrizol Corporation
BP Lubricants USA, Inc.	Lubrizol Wickliffe Mechanical Testing Laboratory
Chevron Oronite Company LLC	PetroCanada Lubricants, Inc.
Chevron Oronite Technology b.v.	RIPP_Sinopec Lubricant Co.
Evonik Oil Additives	Saudi Aramco
ExxonMobil Research and Engineering Company	Southwest Research Institute
ExxonMobil Test Laboratory	Test Engineering, Inc.
Fuchs Lubricants Germany GmbH	Valvoline Product Application Laboratory
Infineum U.S.A. LP	Xinxiang Richful Lube Additive Co., Ltd.
Intertek Automotive Research	

The ACC PAPTG appreciates your company's continued commitment to quality improvement in engine oil testing.

Sincerely,

*David Duncan*

David Duncan, Lubrizol  
PAPTG Chair
