

June 28, 2022

Dear Colleagues:

Twenty Companies have demonstrated compliance with the American Chemistry Council (ACC) Product Approval Code of Practice for the period of June 30, 2020 through June 30, 2021. All twenty companies submitted a Letter of Intent by the due date. Sixteen companies successfully completed the ACC compliance audit checklist and four companies provided verification from the ACC Monitoring Agency that no candidate engine tests were scheduled or registered during this time period.

The ACC Product Approval Protocol Task Group (PAPTG) is pleased to recognize the following organizations:

Afton Chemical Corporation	LLK-International (Lukoil)
Afton Chemical Corporation Test Laboratory	Lubrizol Wickliffe Mechanical Testing Laboratory
BP Lubricants USA, Inc.	The Lubrizol Corporation
Chevron Oronite Company LLC	PetroChina Lubricant Company
Chevron Oronite Technology b.v.	PetroCanada Lubricants, Inc.
Evonik Oil Additives	RIPP Sinopec Lubricant Co.
ExxonMobil Research and Engineering Company	Southwest Research Institute
ExxonMobil Test Laboratory	Test Engineering, Inc.
Fuchs Schmierstoffe GMBH	Valvoline Product Application Laboratory
Infineum U.S.A. LP	
Intertek Automotive Research	

The ACC PAPTG appreciates your company's continued commitment to quality improvement in engine oil testing.

Sincerely,

A handwritten signature in cursive script that reads "John Loop".

John Loop, PAPTG Chair
Lubrizol

A handwritten signature in cursive script that reads "Colleen Stevens".

Colleen Stevens, Acting PAPTG Manager
American Chemistry Council
