Re: VIBSJ Registration

On October 8, 2002, the American Chemistry Council Petroleum Additives Product Approval Protocol Task Group (PAPTG) agreed that the VIBSJ test would be brought into the Product Approval Code of Practice. Accordingly, registration of the VIBSJ will start Friday, October 11, 2002 (12:01 a.m. EST). From that date, VIB tests may be registered as either VIB, VIBSJ, or both (Note: Dual registrations will incur dual registration fees).
